

Schumannndesign

THE PERSON/PEOPLE BEHIND
Dirk Schumann
Product Designer

Describe yourself in three words.

A creative visionary and realist about what is feasible

When you were younger, what did you want to be?

Did you ever think you would be doing what you do today?

A designer, architect, researcher

What object could you not live without?

My pencil

If you could be someone else for a day, who would it be and why?

A crew member of the International Space Station (ISS) – to see the beauty of our planet

Name your favorite product, city, and publication.

Nature, Hong Kong
